

The intelligent solution for implementing Dynamics NAV

Connamix Business Solutions can help you unlock the full potential of Microsoft Dynamics NAV.

As well as an out of the box solution, Connamix can fully customise your Enterprise Resource Planning (ERP) software to do exactly what you need it to do. Being such a clever solution, it takes on board all regular updates, is flexible and adapts to change, just as your business needs do.

Key benefits include:

- Mobile and cloud solution – use anywhere
- Centralised deployment across the whole system – enter data once
- Fully integrated with other Microsoft software
- Increased productivity

Connamix is a global partner of Microsoft, with offices in the UK, Germany and the Middle East, a reach into 30 countries and a contracted installation base of over 3500 users.

We aim to make your business simple. Technology should be there to help, not hinder us. We believe in **Expertise**, **Reliability** and **Passion** and each one of our consultants, developers and support staff follow these principles.
